Workshop

on

Teaching with Simulations (offline)

8th December 2026

Organized by

School of Management Studies

Executive Education Cell

(Central) University of Hyderabad

Hyderabad-500046

ABOUT THE WORKSHOP

This offline workshop focuses on planning and facilitating simulation-based teaching. Participants will explore scenario design, learning objectives, roles, and instructions, alongside strategies for guiding participation and debriefing decisions and outcomes.

Through discussions, illustrative activities, and classroom planning practice, **faculty members, research scholars, and educators** in commerce, management, and social sciences will explore how to connect simulation experiences with course concepts and learning objectives.

KEY TOPICS COVERED

1. Introduction to Simulation-Based Teaching
2. Designing Simulation Scenarios and Preparing Learners
3. Facilitating Classroom Simulations and Participant Engagement
4. Debriefing, Reflection, and Assessment of Learning

WHO CAN ATTEND?

- Faculty members, educators, and research scholars are involved in teaching in commerce, management, and social sciences, particularly those interested in using simulations in their classrooms.
