

University of Hyderabad

PTRL, Department of Plant Sciences

Currently one project assistant position is available in a SERB funded project entitled “**Understanding genetic diversity of root system architecture mechanisms in response to low phosphate in tomato**” under the supervision of Dr. Rahul Kumar, Dept. of Plant Sciences, School of Life Sciences, University of Hyderabad.

Emolument: Rs. 15,000 + HRA.

Desired Qualifications: M.Sc. Plant Sciences/Botany/Plant Molecular Biology/Biotechnology

Nature of the responsibilities: Molecular cloning experiments/gene characterization/tomato germplasm screening.

Candidates interested in above position should send their CV, a statement clearly explaining how their skills are relevant to the position and the name/contact information for three references. “**Application for the SERB PA position**” should be the title of the email. The candidates can send their application by email at rksl@uohyd.ac.in on or before 5:00 pm **August 25, 2020**. The candidates with prior work experience in the similar area will be preferred in the first screening.

Selected candidates would be called for an online interview.

No TA/DA would be provided for attending the interview. The position is purely temporary in nature.
