Date: 23.08.2023

NOTICE

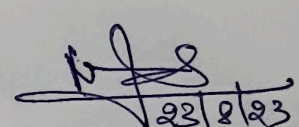

National Scholarship Portal (NSP) - Biometric Authentication / eKYC Process

It is to inform all students who have submitted applications for various National Scholarships through the National Scholarship Portal (NSP) for the academic year 2022-23 that there has been a recent change in the application verification process. It is now mandatory for these students to complete the Biometric Authentication / eKYC process for the further processing of their applications.

In this regard, the Common Service Centre (CSC), Hyderabad, will be visiting the University of Hyderabad Campus (Administrative Building) on Friday, 25.08.2023 at 9:30 AM. Their purpose is to facilitate the Biometric Authentication / eKYC process for all students who have submitted NSP applications for the year 2022-23.

Therefore, we earnestly request all students who have submitted NSP applications for the year 2022-23 to be present in person at the mentioned venue. Kindly bring along your original Aadhar card, a copy of your NSP application (with necessary attachments), and complete the Biometric Authentication / eKYC process without fail.

Please note that due to their busy schedule encompassing various institutes and colleges in the Ranga Reddy District, it might not be feasible for the Common Service Centre (CSC), Hyderabad, to make a return visit to our University Campus for this purpose.
