CIRCULAR

Sub: Urgent Circular: Submission of Utilization Certificate/Statement of Expenditure for Fellowships (Offline Mode) availed by Post-Doctoral Scholars and Doctoral Scholars till 30.06.2016.

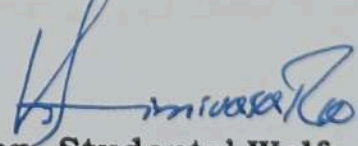

Ref: UGC Instructions received via email dated 23.01.2024.

In light of the recent directive from the University Grants Commission (UGC), this circular aims to highlight the critical importance of settling accounts for fellowships utilized by Post-Doctoral Scholars and Doctoral Scholars in offline mode until 30.06.2016.

The UGC, in its recent communication, has underscored the necessity of submitting the Utilization Certificate/Statement of Expenditure and dues, if any, for the period up to 30.06.2016, by 31st January 2024. Post this deadline, the UGC explicitly states that no claims will be entertained, in strict adherence to their instructions.

Therefore, we earnestly request all Post-Doctoral Scholars and Doctoral Scholars who availed various fellowships in offline mode until 30.06.2016 and have not yet submitted the Utilization Certificate/Statement of Expenditure, to promptly request and obtain the necessary documentation for the respective period from the Finance & Accounts Department of the University. Subsequently, ensure the submission of these documents to the University Grants Commission (UGC) or the concerned funding agencies by 31.01.2024.

Your immediate attention to this matter is highly appreciated.
