As you are aware, Climate change is increasingly becoming a global challenge, and the world has already started to experience catastrophic results in various forms, such as increased frequencies of cyclones, floods, cloud bursts, forest fires, and extreme weather conditions.

To raise awareness about the severe impacts of climate change, Paryavaran Sanrakshan Gatividhi, an organization dedicated to environmental improvement, is organizing a National Student Paryavaran Competition (NSPC) 2025, with the kind support of the Ministry of Education and the Ministry of Environment, Forest and Climate Change (MoEFCC), Government of India.

In light of this initiative, the Paryavaran Sanrakshan Gatividhi is conducting an online quiz competition from 1st July to 21st August 2025 and aims to sensitise students about critical environmental challenges through awareness-building and action-based activities. The competition will take place online and will be conducted in Hindi and English and other languages as per EcoMitram App of PSG. Therefore, the interested students are encouraged to register themselves using the link provided below and participate.

Subject: Request for Participation of Students under Universities for National Students Paryavaran Competition (NSPC) From 1st July 2025 to 21th Aug 2025.

Climate change is increasingly becoming a global challenge and already the world has started seeing catastrophic results in various forms such as increased frequencies of cyclones, floods, cloud bursts, forest fires, etc. As per UN data, Climatic changes have already caused over 150,000 deaths annually world over. It is now well comprehended by all the Nations that unless emphasis is made and actions are taken to control the climate degeneration, the world will face irreversible catastrophic damage.

Paryavaran Sanrakshan Gatividhi (PSG):

Paryavaran Sanrakshan is an organization dedicated to improving the environment. 500+ districts with volunteers pan India are part of this organization. The aim of the organization is to make tangible and measurable changes to improve the quality of the environment through various activities and awareness campaigns.

NSPC at a Glance:

The organization has grown leaps and bounds achieving phenomenal results making it a success story. We were pleasantly surprised to acknowledge that 107 foreign countries participated in the competition.

We took baby steps in organizing the National Students Paryavaran Competition (NSPC) online in the year **2022**. In this competition more than 55,000 schools and 8,46,000 students participated across the country.

In the year **2023** more than 72,000 Educational institutes and more than 6,50,000 students participated. The icing on the cake was that 103 foreign countries also participated in this completion.

In the year **2024** more than 45,022 Educational institutes and more than 7,09,173 students participated. The icing on the cake was that 107 foreign countries also participated in this completion. This year we are expecting much more participation than the previous three years.

Aims & Objectives of the Program:

1. Holistic Actions for Revival of Indigenous Traditions (HARIT).
2. To foster understanding among young individuals and the general public regarding the intricate complexities of the imminent threats posed by unchecked climate destruction.
3. To acquire knowledge on the job skills, competency & attitude to confront the environmental challenges & their mitigation.

You are requested to pass suitable instructions to all students under Universities for National Students Paryavaran Competition (NSPC) From 1st July 2025 to 21th Aug 2025.

Please find an enclosed detailed program of the competition to be conducted on above dates.
