Sub: Addition of journals as per UGC guidelines for CAS/Recruitment.

It is hereby informed to Department/School that they can add journals (prospectively) strictly following the guidelines proposed earlier (https://iqac.uohyd.ac.in/mdocuments-library/) by IQAC No.UH/IQAC/2025/431 dated Aug 25, 2025, as per UGC Letter No.F.No.:1-1/2018(CARE/JOURNAL) dated 16 July 2025. Please ensure that the addition of journals is vetted by external peer-review (to be chosen by respective academic unit) then passed by respective DAIP, Departmental Committee, School Board as per the checklist provided in the above guidelines.

Later, this list of journals together with a vetted checklist for each of the journal need to be submitted to the IQAC. We request to complete this on or before 20th February, 2026. IQAC will hold a meeting some time in last week of February so that the list of journals will be forwarded to IAIP. IAIP comments/minutes will be forwarded by Convener IAIP to the Academic section for including as an agenda item for discussion in the forthcoming Academic Council meeting. Once Academic Council approves the list of journals this list can be considered prospectively for recruitment and promotions. This list will also be placed on IQAC webpage.

It is to be noted that only those Department/School who do not have adequate number of journals in SCOPUS/Web of Science {this should be supported through data from respective dept/school} can add journals. Schools/Departments having enough journals in SCOPUS/Web of Science need not add any journals.
