2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

Plan of Action	Achievements
Quality policy of the University, Vision and Mission of IQAC.	The Vice-Chancellor explained the quality policy, vision and mission of the University of Hyderabad. He also emphasized the importance of quality and how it can help the University to become a world-class entity. He called for all possible efforts to be made by the University fraternity to achieve this objective, for which the IQAC can play a vital role in implementing the quality vision and mission. Towards this end, the University should incorporate innovative ideas practiced by other Universities.
List of Journals	The IQAC resolved to generate a list of journals where the University of Hyderabad faculty have been publishing (particularly in the last five years), and also desire to publish. Such journals may be classified as 'outstanding', 'very good', 'good' 'average' and 'poor' / 'unacceptable' categories.

4.2 Computerization of administration and library

The Indira Gandhi Memorial Library is a central facility providing information support for academic and research activities of the University. The Library was established in the year 1975 and shifted to the present building during 1987, which was inaugurated by His Excellency Dr Shankar Dayal Sharma, the then Vice-President of India and named after Late Prime Minister Indira Gandhi. All the in-house Library Operations are fully computerized including the Web OPAC using the international Library Management Software VTLS, USA. The UGC-INFLIBNET has identified the Library as one of the 26 JCCC- UGC INFONET document delivery centers in India for providing photo copies of journal articles to the research scholars of other Universities. Since 1990, the Library has achieved several distinctions in the country as following:

The IGM Library is the first University Library to computerize all in-house operations.
The first Library to take up turnkey projects to computerize other Libraries (Dr. B.R. Ambedkar Open University, A.P. and City Central Library, Hyderabad, A.P.)
The first University Library to start PGDLAN Course under Centre for Distance & Virtual Learning Education mode since 1998
The first University Library to subscribe nearly 35,000 Electronic Journals covering 47 databases.
National Board of Higher Mathematics (NBHM) has identified this Library as Regional Library for Southern Region.
The first University Library to establish a Centre of competency in digital libraries and e-learning with the assistance from SUN Micro systems and UGC.
The first University Library to install 3M Security Gate to arrest book thefts.
The first University Library to become a governing council member of OCLC, USA.
The first University Library to install 100 KV solar power system.

The Library is being managed by the University Librarian assisted by 1 Librarian, 1 Dy. Librarian, 1 Asst. Librarian, 1 Documentation Officer, 25 Professionals and also 13 supporting staff. The Library is kept open from 8 am to 12 mid-night on week days, 8 am to 2 am during semester exams period and 9 am to 5:30 pm on Saturdays, Sundays and other Holidays and 8 am to 8 pm during summer/winter vacation.

Library collection:

The Library has rich collection of over 4.4 lakh books, e-journals, e-books, reference books, serials, Theses & Dissertations, back volumes of journals, maps etc. The Library has over 2500 Braille books for visually challenged students and separate book bank for SC/ST students. During the financial year 2017-18, the Library acquired 7474 books by spending Rs. 1.87 lakhs. Apart from this, the Library has received 1229 books as gift from various sources worth approximately Rs. 4 lakhs. The Library is subscribing to 254 print journals and 40,000 Online Journals covering 48 databases including MHRD e-Shodh-Sindhu consortia.

Computerization:

The Library has excellent IT infrastructure to manage all in-house operations as well as to provide specialized information services to the faculty and students over the Campus network. The hardware consists of IBM servers, storage devices, ZEUTSCHEL book scanners, hand-held laser scanners, laser printers and 90 PCs. The Library is using VIRTUA application software and operating systems like SOLARIS, UNIX/LINUX, WINDOWS XP and WINDOWS-7. The Library uses barcode scanners for issue, return and renewal of books for accuracy and efficiency. 24 PCs are placed at the entrance Lobby for OPAC, e-mail and internet browsing. Similarly, 8 PCs are kept in the Library reading halls exclusively for searching book databases. The Library is connected to the Campus Network through 100 mbps optical fiber channel. The Library resources can be searched over the internet through OPAC. The Library is enabled with WI-FI connectivity for the use of laptops.

Digital Library:

The IGM Library has established a model digital Library by signing MoUs with SUN Micro Systems and VTLS, USA. Under these MoUs, a Centre of Competency in Digital libraries and e-learning was established to undertake R & D activities by using Open Source Software and to create digital content in the University. Currently this facility is being used for conducting hands on training and practical classes for PGDLAN students. The Library is also a member of Universal digital library project of Carnegie-Melon University, Pittsburgh, USA (Million books to the Web). Under this project, a scanning centre was established in the Library to digitize rare books. The Library has signed MoU with UGC-INFLIBNET Centre, Ahmedabad, to digitize and upload full-text Ph.D. theses submitted to University of Hyderabad. Already 1540 Ph.D. these were digitized and uploaded to UGC-INFLIBNET Shodhganga project. The Library is also making efforts to digitize the remaining theses and upload to Shodhganga Project under special grants provided for this purpose by INFLIBNET.

Readers Services:

The Circulation Services shows a transaction log of 1,10,000 issues, returns and renewals pertaining to the year 2017-18. Around 2000 scholars from other Universities and research laboratories visited the library for reference. The inter-library loan requests of the students, research scholars and faculty are being fully met with close cooperation from other libraries. The Library has supplied 375 articles under the Document Delivery Service to research scholars of other Universities. Library is regularly conducting orientation/awareness programme for the newly joined students to familiarize them with the library services, resource and rules. The Library is also conducting orientation programmes on research methodology for social science research scholars. The website is meticulously designed with several e-resources which are helpful to the library user community.

Institutional membership:

Five Research and Development Centres & Corporate organizations have enrolled/renewed themselves as institutional members by paying the prescribed annual membership fee, to make use of the Library resources and facilities.

Reprography services:

The IGM Library provides reprography (photocopying) service inside the Library to all its members. A private firm has been engaged for this service during the working hours to all the library users at a nominal charge of Rs.0.60 ps. On an average, 4,500 photocopies are taken out every day.

Facilities for the visually challenged:

Visually challenged students have access to library resources through 5 multimedia PCs with JAWS and KURZWEIL speech synthesizer software, which enables to read-out the documents placed on the scanner. In addition, two workstations with Zoomex, readers are added to scan and convert image into text on the screen to enable the students to hear and also save the text. This facility is extensively used by the visually challenged students to read and print without anyone's help. A separate Braille printer is provided for printing regular text in Braille script.

Air-conditioned 24 x 7 Reading halls:

The IGM Library has two separate reading halls adjacent to the library, which are fully air-conditioned and being kept open round the Clock through-out the year. Students can bring their personal books, issued books from the Library and study in these halls without any disturbance. These reading halls have the capacity to accommodate 200 students at a time, and it is being used extensively. The reading halls are enabled with wireless network points, where students can search/browse e-journals subscribed by the library from their Laptops.

PG diploma in Library Automation and networking:

The IGM Library under the University's Centre for Distance and Virtual Learning Started a highly focused one year course – PG Diploma in Library Automation and Networking (PGDLAN) in January, 1998. This course is the first of its kind in the country, where a University Library is conducting an advanced level course under Distance Education mode. About 50-80 students are admitted every year.

4.3 Library services:

University Library

The Indira Gandhi Memorial Library is a central facility providing information support for academic and research activities of the University. The Library was established in the year 1975 and shifted to the present building during 1987, which was inaugurated by His Excellency Dr Shankar Dayal Sharma, the then Vice-President of India and named after Late Prime Minister Indira Gandhi. All the in-house Library Operations are fully computerized including the Web OPAC using the international Library Management Software VTLS, USA. The UGC-INFLIBNET has identified the Library as one of the 26 JCCC- UGC INFONET document delivery centers in India for providing photo copies of journal articles to the research scholars of other Universities. Since 1990, the Library has achieved several distinctions in the country as following:

- The IGM Library is the first University Library to computerize all in-house operations.
- The first Library to take up turnkey projects to computerize other Libraries (Dr. B.R. Ambedkar Open University, A.P., and City Central Library, Hyderabad, A.P.)

- The first University Library to start PGDLAN Course under Centre for Distance & Virtual Learning Education mode since 1998
- The first University Library to subscribe nearly 35,000 Electronic Journals covering 47 databases.
- National Board of Higher Mathematics (NBHM) has identified this Library as Regional Library for Southern Region.
- The first University Library to establish a Centre of competency in digital libraries and e-learning with the assistance from SUN Micro systems and UGC.
- The first University Library to install 3M Security Gate to arrest book thefts.
- The first University Library to become a governing council member of OCLC, USA.
- The first University Library to install 100 KV solar power system

Library collection

The Library has rich collection of over 4.4 lakh books, e-journals, e-books, reference books, serials, Theses & Dissertations, back volumes of journals, maps etc. The Library has over 2500 Braille books for visually challenged students and separate book bank for SC/ST students. During the financial year 2017-18, the Library acquired 7474 books by spending Rs. 1.87 lakhs. Apart from this, the Library has received 1229 books as gift from various sources worth approximately Rs.4 lakhs. The Library is subscribing to 254 print journals and 40,000 Online Journals covering 48 databases including MHRD e-Shodh-Sindhu consortia.

4.3.1. Library, ICT and physical infrastructure /instrumentation

Library has its own ICT Section, having IBM Server, Storage Server, Backup Server (auto-backup) and Web-Server, the library database is available on 24x7 basis. The library is using library automation software called VTLS, back-end with ORACLE, having all the features of the modern library system, even the full-text of books/thesis/dissertation can be integrated and made available on the Web.

4.4 Technology up gradation (overall) & 4.5 Computer, Internet access, training to teachers and students and any other programme for technology up gradation (Networking, e-Governance etc.)

The Computer Centre was established in 1985 to facilitate, foster, and support the essential teaching and research goals of University of Hyderabad through the deployment and delivery of computing and communication services to the university's faculty, staff, and students. As part of teaching process, students have access to computers for their course or project work. Its facilities are also used in work related to administration such as recruitment, academic, examinations, finance etc. In 1993, ERNET selected University of Hyderabad to be one of the transit nodes for Internet connectivity with a narrow bandwidth of 9.6 Kbps. It was made operational through VSAT dish antennae. This transit node at the Computer Centre provided Email/Internet services to educational and research organizations in Andhra Pradesh such as IDRBT, NFC, DMRL etc. Further 128 Kbps microwave and 2 Mbps backbone links were established in the year 2000, 2001 respectively. UGC funds allocated in the year 2000, was utilized to increase the number of terminal points available to users. The UGC grant allocated in the year 2001 helped establish thel Gbps structured SM fiber optic network for the university. Further this expanded as a 2 Mbps point-to-point leased line between UOH and IDRBT, 2 Mbps UOH - Infosys (Hyderabad) – Bangalore leased line, andl28 Kbps ISDN line. In the year 2006, the bandwidth available to the university was enhanced to 4 Mbps. All residential buildings, hostels, and upcoming buildings were connected to the backbone network. Fourteen Wi-Fi towers were erected at different locations to create wireless hotspots. Consequently, the bandwidth

was upgraded to 1 Gbps. A new email server was installed, and user authentication services were made operational.

With the expansion of the computing activities into different horizons the university distributed the staff at Computer Centre to various places such as A.I. Lab, CMSD, Campus Network Facility, Admin Computer Centre, F&A Computer Centre, Automated admission office, Centre for Integrated Studies at South Campus and other Schools/Centers to tap their inherent potential. The Centre is equipped with Pentium systems, Color and Black/White Laser printers, Cannon IR 2530 xerox cum printer, Scanners, CD writer. The Computer Centre has recently procured 75 Lenovo Desktops Core i5 as an upgraded facility for users. 10 Dell Desktops core i3 Systems with LINUX/Windows 8 operating system have been earmarked for training/workshops.

The Computer Centre has 7 surveillance cameras inside the Centre for monitoring purpose. The Centre has facilities for Programming, Word processing and execution of various other tasks in addition to Internet/E-mail that benefit users. The Center is open 24 hours except on holidays.

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

The University of Hyderabad, a premier institution of post graduate teaching and research in the country, was established by an Act of Parliament (Act No. 39 of 1974) on 2nd October, 1974 as a Central University, Wholly financed by the University Grants Commission.

The "objects of the University" as envisaged in the Act are:" to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit and by the example of its corporate life, and in particular to make special provisions for integrated courses in humanities and science in the educational programmes of the University and to take appropriate measures for promoting inter-disciplinary studies and research in the University."

6.2 Does the Institution has a management Information System

Yes, E-Governance initiative implemented in phases.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- The University has been able to achieve the following
- Introduction of the Credit System
- Examination reforms
- Issue of Tamper proof Degree Certificates
- Adoption of Technology
- Effective Implementation of Reservation Policy in student admissions
- Fixing of Academic Calendar and following it strictly without any deviation
- Maintaining the National Character in Student Enrolment
- OMR Technology

6.3.2 Teaching and Learning

The academic calendar of the University is prepared well in advance and is strictly adhered to. Teachers seek inputs from students. Assignments are returned to the students whose progress is carefully monitored from semester to semester. Improvement and supplementary examinations ensure that students are given enough opportunities to improve their standard. Teachers undertake periodical review meetings at the departmental and school level for the enhancement of academic standards.

6.3.3 Examination and Evaluation

The courses are organised on the semester pattern. The final result in each course is calculated on the basis of continuous assessment and performance in the end semester examination. There will be 7 letter grades: A+, A, B+, B, C, D and F on a 10 point scale which carries 10,9,8,7,6,5,0 grade points respectively.

6.3.4 Research and Development

A separate R&D section under the supervision of Coordinator (R&D) was initiated in 2011 to oversee the Research and Development activities in the University.

The University has procured a Project Management Software – SFACTS for management and processing of financial activities of all research projects and it is successfully running for the last 4 years.

The University has created Faculty Professional Development Fund (FPDF) to support the professional research and academic needs of faculty members with an initial support of Rs. 10,000/- for each faculty.

The University Grants Commission (UGC) has approved the revised XII Plan allocation under Plan at Rs.223,00,00,000/- (Rupees Two Hundred Twenty Three Crores Only) which also includes allocation for Non-Net Fellowship for M.Phil/Ph.D. Scholars.
The U.G.C. had approved an additional grant of Rs.10.00 Crore under recurring head to meet the recurring expenses and expenditure on non-net fellowship.
The U.G.C. had approved an additional grant of Rs.9,27,76,000/- (Rupees Nine Crore Twenty Seven Lakh Seventy Six Thousand Only) towards establishment of Hot Spot WI-FI Campus connect as additional grant under General Development Assistance (Plan) during XII Plan for the year 2016-17.
The U.G.C. had extended financial assistance under Special Assistance Programme to the following Schools / Departments/ Centres:

1. Rs.74.00 Lakhs + Actuals for 2 Project Fellows at the Level of DRS-I to Centre for Advanced Studies in Electronics Science & Technology for a duration of 5 years (1.4.2016 to 31.3.2021.

2. Rs.103.50 Lakhs at the Level of DRS-I to Department of Biotechnology & Bioinformatics for a duration of 5 years (1.4.2016 to 31.3.2021).

3. Rs.120.00 Lakhs + Actuals for 1 Project Fellow for upgrading the Department of English from DSA-I to DSA-II for a duration of 5 years (1.4.2016 to 31.3.2021).

4. Rs.108.50 Lakhs at the level of DRS-I to Department of Biochemistry for a duration of 5 years (1.4.2016 to 31.3.2021).

6.3.5 Library, ICT and physical infrastructure / instrumentation

Library has its own ICT Section, having IBM Server, Storage Server, Backup Server (auto-backup) and Web-Server, the library database is available on 24x7 basis. The library is using library automation software called VTLS, back-end with ORACLE, having all the features of the modern library system, even the full-text of books/thesis/dissertation can be integrated and made available on the Web.
The University Grants Commission (UGC) and the Ministry of Human Resource Development (MHRD), Department of Science & Technology (DST) and the Department of Biotechnology (DBT) and other funding organizations have extended their generous support to the University throughout the year for development of ICT and physical infrastructure in the University.

Holding the distinction of FIRST building to come up in the vast university campus in 1979, the Central Instruments Laboratory (CIL) is a centralized instruments facility with the state-of-the-art analytical equipment to cater to the research needs of Science/Engineering/Medicine schools of the university. CIL has been playing a crucial role of providing the instruments support to the research fraternity of the university. The list of instruments at CIL covers a broad range research fields viz., microscopy, diffraction based instruments (Spectrometers), thermal and magnetic property measurements. The list of instruments are: 1. Scanning Electron Microscope (SEM) with Energy Dispersive Spectrometer (EDAX), 2. Confocal Microscope (CFM), 3. Powder X-Ray Diffractometer (XRD), 4. Vibrating Sample Magnetometer (VSM), 5. Electron Spin Resonance Spectrometer (ESR), 6. Differential Scanning Calorimeter (DSC), 7. Thermogravitometer-DTA (TG-DTA), 8. Circular Dichroism (CD) Spectrometer.

CIL offers educational visits to the participants of short/long term courses conducted at science schools of the university and the Academic Science College. The CIL staff has also been sharing their experiences in the academic program of the university by offering lectures in Analytical Instrumentation (Ph.D.), Environmental Studies (I.M.Sc.). The areas of specialization of the staff at the CIL include Mass Spectrometry (lab-based and space-borne), Radiation Spectroscopy (X-Ray, UV-VIS-IR), Microscopy, Advanced Electronics, Design and Development of Microprocessor and Microcontroller – based Systems, Embedded Systems, Instrumentation aspects of Planetary and Space Sciences.

Promoting Physical wellness and health is the main motive of the department and it strives to achieve the same with all possible means. The department promotes this culture by encouraging the students and various student groups to organise sports and other physical activity events very regularly. The department provides support and help to any voluntary group which aims to promote physical culture in the campus. There are groups like runners group, cyclists group, walkathon group etc. The university believes in the development of infrastructure upon which the physical activities can be promoted, hence the university is keen in developing excellent infrastructure in physical education and sports area.

At present the university has three different sports complexes. One is new sports complex, another one is Yoga centre complex and the third one is South campus sports complex. The new sports complex has a multipurpose open stadium with 400 meters standard track facility. There is an indoor stadium with maple wooden flooring for dedicated Badminton activity. A state of the art fitness centre is also situated in the new sports complex with excellent fitness equipment at the centre. Recently, one excellent indoor sports centre been established, which houses Table Tennis, Carroms, Chess etc. exclusively. At the Yoga centre complex, there is a dedicated and well maintained football field, along with an exclusive Yoga Centre, which is another indoor stadium. In this complex, synthetic tennis courts complex also been created last year and this is of international quality. Recently two Kabaddi courts have been developed for the students. South campus sports complex has a synthetic basketball court and two synthetic volley ball courts with flood light facility.

The university has developed a state of the art fitness center, funded by UGC under Scheme for sports infrastructure development. Four Yonex badminton courts are in the indoor stadium. This way the University of Hyderabad is having very excellent infrastructure in sports and games and is still keen to develop more infrastructures in the coming years to encourage the physical activity culture in the university.

The students are provided an insurance coverage of Rs. 75,000/- for one year period, besides personal accident coverage of Rs. 5.00 lakh. **Financial Assistance:** The Dean, Students' Welfare recommends for sanction of financial assistance as and when such requests are received from students for medical expenses, academic needs, educational and sports tours. These representations are normally considered only when they are routed through the Head of the Department and Dean of the School, depending on the availability of funds. However, the DSW recommends for free studentships, waiver of late fee (semester registration) etc., in the case of limited number of deserving cases. **Yoga** There is a Yoga Center in our university with a regular well qualified Yoga Instructors, Mr. Mallikarjun Reddy, M.Sc.,(Yoga) and Miss. Sarita Devi, Diploma in Yoga. Regular yoga classes are conducted for free of cost and they are open for the university community. **Students Alumni:** Prof. Darla Venkateswara Rao, Deputy, Dean Students' Welfare looks after the Alumni Cell activities. This year (2017-18), Alumni Meet was held on 07th April, 2018.

-

6.13 Development programmes for support staff

Training and Development Activities:

1. The Computer Centre has undertaken training for all sections of the University in Libre Office. It has decided to make use of open source software in the campus.
2. A technical hindi workshop for the member offices of the Town Official Language Committee-4 was organized on 29th June, 2017 in the University. 24 officers/employees from various offices participated.
3. Hindi Training under Hindi Teaching Scheme. Two intensive Hindi Parangat training courses were organized in the premises of the University. (July/2017 and Feb.-March/2018) 22 employees were declared successful.
4. The Faculty and Officers' Club, Ladies' Club, Vijnana Vedika, Campus Residents Welfare and Recreation Club, Nature Club and Non-teaching Officers Club continued their activities on the campus with enthusiastic participation of the University Community. These clubs have organized several social welfare programs and games and sports meet, cultural programmes and donation campus by collecting various material and donating to the poor within and out of campus.

6.14 Initiatives taken by the institution to make the campus eco-friendly

1. The Hostels management are not using plastic cups and glasses for serving the food items.
2. The Canteens in the University were advised not to serve the tea and food items in paper plates and cups but to serve in earthen made cups (reusable) and stainless steel plates.
3. All the faculty members, students and non-teaching staff have been sensitized to put off the lights, fans, air conditioners and other equipment's while venturing out of their rooms/classrooms/work spot.
4. The bulbs and tube lights have been replaced with fluorescent and LED bulbs wherever possible to reduce the consumption of electricity.
5. Everybody in the Campus have been sensitized not to waste the water and turn off the taps soon after the purpose is over.
6. Plumbers have been specially engaged to arrest the leakage of water and to repair the faucets immediately.
7. In order to bring down the usage and wastage of papers, a project is undertaken by the University to switch over to e-governance and to make the governance paperless.
8. Waste garbage from all residential, hostel, academic and non-academic buildings are being collected and being disposed effectively. It is ensured that cleanliness is maintained throughout the Campus.
9. The work on 'Zero Waste Management' is under progress whereby two heavy machineries are being installed to process the solid, semi-solid and other wastes. This will help not only in segregating the waste but also to produce the manure out of bio-degradable waste and blocks from the plastic waste which will be useful for laying the roads.
10. An action plan is also under execution for treatment of sewage water and to reuse the same for the plants in the University Campus.
11. Smoking and consumption of liquor in the University premises is banned.
12. About 10 check dams were constructed to harvest the rain water. Similarly, the de-silting was done for all the 5 lakes exist on the campus and the bunds were also further strengthened with the help of Government of Telangana under the scheme Mission Kakatiya. This has helped storing more rain water in these lakes resulting into the improvement of ground water table.
