

Faculty Details

Name: Prof. JSS Prakash

Mail: syamasundarp@uohyd.ac.in

Contact: 8639667564

Area Of Research: Gene regulation, Cyanobacterial RNA exosome and degradosome complexes, Genetic and metabolic engineering of cyanobacteria

Faculty Details

Jogadhenu S S Prakash earned MSc in Biochemistry (1992) from Sri Venkateswara University and PhD in Biochemistry (2001) from Hamdard University. Availing the Japanese Society for Promotion of Science (JSPS) Fellowship, he worked with leading Plant Molecular Biologist in Japan, Professor Norio Murata. He also collaborated with scientists from Japan, UK and Taiwan for extended periods. He has an active research collaboration between Prof. Sue Lin-Chao, Academia Sinica, Taiwan, Prof. Iwane Suzuki, Tsukuba University, Japan and Prof. Nir Keren, Hebrew University of Jerusalem, Israel. He started his career as a CSIR research associate at CCMB, Hyderabad (1999-2002), Post doctoral fellow at National Institute for Basic Biology, Okazaki Japan in (2002-2004); worked as Assistant Professor (2005-2010); Department of Plant Sciences, School of Life Sciences at University of Hyderabad. Associate Professor (2010) and Professor (2016), Department of Biotechnology & Bioinformatics, at University of Hyderabad.
