Clay Creations: Little Hands, Big Imagination!

Primary Classes – Creative Learning Activity

- The young artists of Classes I to V took part in a delightful "Clay Creations" activity as part of their Creative Learning Programme. The session was all about shaping imagination into reality – with tiny fingers, vibrant clay, and endless enthusiasm! Students explored the magical world of clay modelling, giving form to animals, fruits, flowers, toys, and even miniature landscapes. The activity encouraged them to express their creativity while improving their fine motor skills and hand-eye coordination. Guided by their teachers, the children learned how to mold, roll, and shape clay into colourful models that reflected their unique ideas. The classrooms buzzed with excitement and laughter as each student proudly showcased their creation. The display of their work was a treat to the eyes – a vivid gallery of imagination, colour, and joy. Such activities not only make learning fun but also nurture confidence and artistic expression among young learners. Clay Creations truly reminded everyone that creativity has no boundaries – especially when it's in the hands of children!

🏅 Olympiad Certificate Distribution

The Olympiad certificate distribution ceremony was held to honour our young achievers who excelled in various Olympiad examinations. Their dedication and hard work brought pride to our school. Special appreciation was extended to our principal, Murali sir, for constant guidance and encouragement, and to our teacher Mrs. G. Rebecca, for their tireless efforts and support in nurturing the students' talents. The event celebrated academic excellence and the spirit of learning beyond the classroom.

A Grateful Farewell to Our Beloved Teacher Mrs. Uma Maheshwari Ma’am

- After years of dedicated service and heartfelt teaching, we bid a fond farewell to Mrs. Uma Maheshwari Ma’am, an inspiring educator who has touched countless lives with her wisdom, patience, and compassion. Her retirement marks the end of a remarkable chapter in our school’s journey and the beginning of a new one in her life — filled with well-earned rest, joy, and cherished memories. Mrs. Uma Maheshwari has been much more than a teacher — she has been a mentor, a guide, and a friend to generations of students. Her gentle demeanour, deep knowledge, and unwavering commitment to excellence have left an indelible mark on both her students and colleagues. Whether it was guiding young learners through lessons or motivating them to discover their true potential, her presence always brought warmth and inspiration to the classroom. The school community came together to celebrate her years of service at a heartfelt Retirement Felicitation Ceremony, expressing gratitude through words, songs, and memories. Colleagues shared touching anecdotes, students presented creative tributes, and the hall was filled with appreciation and affection for a teacher who has shaped so many young minds. As Mrs. Uma Maheshwari steps into this new phase of life, we extend our sincere wishes for her continued happiness, good health, and fulfillment. Her legacy will remain alive in the hearts of all who had the privilege to learn from and work with her.

A Green Day Out: Visit to the University Nursery

- As part of the experiential learning programme, students of classes 6th to 8th had the opportunity to visit the University Nursery, a place where learning bloomed amidst nature's greenery. The visit aimed to help children understand the importance of plants, gardening, and environmental care through real-life observation and interaction. The students were warmly welcomed by the nursery staff, who guided them through the lush surroundings filled with a wide variety of saplings, flowering plants, medicinal herbs, and ornamental trees. The young learners eagerly listened as experts explained how plants are grown, nurtured, and protected.
- The trip not only enhanced their understanding of science and nature but also inspired a sense of environmental awareness and stewardship.

International Yoga Day: Embracing Wellness and Harmony

- The school celebrated International Yoga Day with great enthusiasm and spirit, highlighting the importance of health, mindfulness, and inner peace. The event, held on June 21, brought together students and teachers to participate in a morning filled with energy, calmness, and unity. The celebration began with a brief introduction on the significance of Yoga Day, emphasizing how yoga – an ancient practice rooted in Indian tradition – has become a global symbol of wellness and balance. Students learned that yoga not only strengthens the body but also nurtures the mind and soul. Under the guidance of the trained physical education teacher Mr. Sathish, students performed various asanas such as Tadasana, Vrikshasana, Trikonasana, and Pranayama breathing exercises. The serene atmosphere and synchronised movements reflected focus, discipline, and harmony.
- The celebration served as a wonderful reminder that yoga is not just an exercise but a way of life – promoting balance, positivity, and good health.

Special Assembly:

Promoting Diabetes Awareness Week.

- In recognition of World Diabetes Awareness Week, our school organised a special assembly aimed at spreading awareness about diabetes, its prevention, and the importance of healthy living. The assembly served as an educational yet inspiring event, encouraging students and staff alike to adopt healthier lifestyles. The program began with a short presentation explaining what diabetes is, its types, and how it affects millions of people worldwide. Students shared informative facts and statistics, emphasizing the role of balanced diets, regular exercise, and routine health check-ups in managing and preventing diabetes. To make the session more engaging, students presented a thought-provoking skit highlighting the consequences of unhealthy eating habits and the benefits of making conscious food choices. The event concluded with a collective pledge to support those living with diabetes and to prioritise health and wellness in everyday life. The special assembly successfully fulfilled its goal—to educate, inspire, and motivate everyone to take charge of their health. As the week continued, classrooms displayed informative posters and students participated in various health-related activities, making it a truly impactful Diabetes Awareness Week.

Wealth from Waste _ A Creative Learning Activity

As part of our school's Co-curricular Learning Activities (CLA), students enthusiastically participated in the "Wealth from Waste" program, aimed at promoting creativity, sustainability, and environmental awareness. The activity encouraged students to look at discarded materials in a new light – not as waste, but as resources full of potential. Students collected items such as old newspapers, plastic bottles, cardboard boxes and metal scraps. Using imagination and teamwork, they transformed these materials into beautiful and useful products like pen stands, wall hangings, flowerpots, ornaments, organizers, and decorative items. This hands-on experience not only nurtured artistic skills but also taught valuable lessons about recycling, resource management, and eco-friendly living. The initiative inspired everyone to adopt the three R's – Reduce, Reuse, and Recycle – in daily life. It was a wonderful reminder that small creative steps can make a big difference for our planet. Truly, the "Wealth from Waste" activity turned learning into an enjoyable and meaningful experience for all.

Foundation Day

- 14th July, Our school celebrated its Foundation Day with great pride and enthusiasm, marking yet another milestone in its journey of excellence. One of the highlights of the celebration was the selection and appointment of the Prefectorial Body for the academic year. The ceremony began with a solemn invocation and a reflection on the school's values of discipline, leadership, and service.
- The Principal addressed the gathering, emphasizing that student leadership is not merely a position of privilege but one of responsibility and commitment. Selected through a fair and transparent process that included nominations, interviews, and evaluations of merit and conduct, the newly appointed prefects took an oath to uphold the school's ideals and to serve as role models for their peers. Each prefect received their badge from the School Chairman Mr. Sanjay Subhodh garu, symbolizing trust, duty, and the spirit of teamwork. The event instilled a sense of pride and purpose among the students. The day ended on an inspiring note, reminding everyone that true leadership begins with service and integrity.
- The Foundation Day thus became not only a celebration of our school's growth but also a moment to empower young leaders to carry forward its legacy.

Independence Day Celebrations

- The spirit of patriotism filled the air as our school celebrated Independence Day with great enthusiasm and pride. The celebration began with the hoisting of the national flag by our vice chairman, prof. Bhrahmanandam sir garu. Followed by the singing of the National Anthem that echoed with unity and devotion. Students presented patriotic songs, dances, speeches, and Yoga showcasing India’s rich culture and the sacrifices of our freedom fighters. The colorful performances and decorations added to the festive atmosphere. The day served as a reminder of our nation’s glorious past and inspired everyone to contribute towards a brighter, stronger India.

🌱 Growing for a Greener Tomorrow!

- We are delighted to share that our school has been recognized and specially appreciated for its active participation in the Online Certification Programme – “Ek Ped Maa Ke Naam Pe”, an inspiring initiative promoting environmental awareness and sustainable living. As part of this program, our students enthusiastically took part in the Growing Sapling , nurturing young plants with love and care while learning about their vital role in maintaining ecological balance. This initiative beautifully connected the bond between Mother and Nature, encouraging everyone to plant and grow trees as a tribute to our mothers and Mother Earth alike.
- 500 + certificates earned by our students stated their commitment, creativity, and sense of responsibility towards the environment earned our school special appreciation for encouraging and motivating the young generation towards a Greener India.

Vigyanotsav – A Celebration of Science and Talent

At the Vigyanotsav event organized by CIS, University of Hyderabad (UOH), our students showcased exceptional talent and teamwork, giving tough competition to high school students from 14 other reputed schools, including Silver Oaks and KV Golconda. Our school proudly emerged as Runner-Up for the entire event. Adding to the glory, our students won the First Prize in Elocution and secured the Second and Third Prizes in the Art Competition. Their performance truly reflected the school's spirit of excellence and enthusiasm in every field.

YOUNG CEO - Joy Kaspar

Student of class 9, Joy kaspar made us proud by winning the First Prize for sharing innovative startup ideas in the Young CEO Entrepreneurs Program organized by IIIT. His creative thinking and entrepreneurial spirit were truly commendable and served as an inspiration for all budding innovators.

Har Ghar Tiranga & Swachhta Awareness – Campus Walk

- To promote patriotism and cleanliness, our students actively participated in the “Har Ghar Tiranga” and “Swachhta – Campus Walk for Awareness” program. Carrying the national flag and spreading messages of cleanliness by slogans and pluckcards, students inspired everyone to take pride in the nation and keep our surroundings clean. The event beautifully combined the spirit of national unity and social responsibility.

Our Champions Shine at State-Level Competitions!

- We are proud to celebrate the outstanding achievements of our talented students who brought glory to our school by excelling in various State-Level Competitions across multiple disciplines. Their hard work, dedication, and passion truly reflect the spirit of excellence that our school stands for.

- In the C.M. Cup Yoga competition, our students Vaishnavi and Chandana of 8th class, Harshini of 6th class, displayed exceptional flexibility, focus, and discipline—earning top honors among participants from across the state. Their graceful performances were a perfect blend of strength and serenity, leaving both judges and spectators deeply impressed.

- In the Roller speed skating competitions, Naidhruv of 7th class showcased incredible skill, balance, and determination on the rink and road, racing his way to victory with remarkable performances.

- Our young artists also made us proud in the Green India Mission – Art Competition, where they creatively expressed their vision of a cleaner, greener planet. Their vibrant artworks not only won accolades but also spread an important message about environmental conservation. Each of these achievements stands as a testament to the students' commitment, the guidance of their mentors, and the constant support of the school community. We congratulate all the winners and participants for their stellar performances and wish them continued success in all future endeavours.

Games Galore – Fun, Fitness, and Team Spirit!

- The much-awaited Games and Sports events brought excitement and cheer across all classes! Students participated enthusiastically in a wide range of games designed for every age group — from the energetic running races, relay races, long jump, shot put. Also the juniors had playful frog race and book balancing. Middle and high school students showcased teamwork and strategy in thrilling matches of Kho-Kho, Throwball, Tug of War, and Football. Every event echoed with cheers and encouragement, highlighting the spirit of sportsmanship and unity.

- The days were not just about competition but about celebrating fitness, fun, and friendship.

Congratulations to all the winners and participants who made the events truly memorable!

Learning Beyond the Classroom: A Journey Through Clay and Creativity

- Education often extends far beyond textbooks and exams — and nowhere was this more evident than at the recent Pottery Workshop organized by our school's Art teacher, Miss Sravya. The hands-on session gave students a refreshing opportunity to step outside their regular classrooms and experience the joy of creating with their own hands. Under the guidance of skilled potters, students learned the delicate art of shaping clay — from kneading and moulding to spinning the wheel and glazing. What began as lumps of earth soon transformed into beautiful bowls, cups, and tiny sculptures, each reflecting the maker's imagination and individuality. The workshop was not just about pottery; it was about patience, focus, and the satisfaction that comes from transforming raw material into art. Many students discovered a new appreciation for craftsmanship and the meditative rhythm of working with clay.

- In an age of digital learning, the pottery workshop was a refreshing reminder that true learning happens when we engage all our senses. As students left with clay-stained hands and wide smiles, they carried with them not just handmade souvenirs, but a deeper understanding of creativity, persistence, and the beauty of learning beyond the classroom.

Celebrating Traditions and Cultures…

Our school takes pride in being a place where learning goes hand in hand with living our values and celebrating our heritage. The past months were filled with color, joy, and cultural spirit as students and teachers came together to mark various festivals and special days that reflect the unity and diversity of our traditions.

On the festivals- Ganesh Chaturthi, Bathukamma, Dussehra.. Students staged lively skits and performances.

Self-Governance Day gave students the opportunity to step into the shoes of their teachers and administrators. Taking charge of classes and daily responsibilities taught them valuable lessons in leadership, teamwork, and accountability — a true exercise in democratic learning.

We celebrated Teachers' Day, a heartfelt occasion to honour our coordinators and teachers. Students expressed their gratitude through performances, speeches, and fun-filled activities that celebrated the guidance, patience, and dedication of every teacher.

Each celebration brought the school community closer, weaving a rich tapestry of culture, respect, and shared joy. These events reminded us that learning is not confined to classrooms — it thrives in the experiences that connect us to our roots and to one another.

Mindfulness Sessions: Developing Focus and Emotional Balance

Our school organized a Meditation Practice Workshop conducted by Ms. B.K. Ruchi, a renowned mindfulness and spiritual educator.

The session focused on developing focus and emotional balance, guiding students through simple yet powerful techniques of meditation and breathing. Ms. Ruchi emphasized how mindfulness helps in managing stress, improving concentration, and enhancing overall well-being. Through interactive discussions and practical exercises, students learned to become more aware of their thoughts and emotions, responding with calmness instead of reactivity.The workshop also highlighted the importance of building essential character traits such as patience, empathy, discipline, and self-awareness — qualities that form the foundation for future success. Students found the session deeply rejuvenating and expressed how the practice of meditation could help them approach studies, relationships, and challenges with greater clarity and confidence.

Creative Learning Activity: Bringing Stories to Life

- our school organized a series of creative learning competitions, featuring one-act plays based on Malgudi Days, Panchatantra skits, and cartoon character portrayals across different age categories.The event aimed to help students express ideas through performance, language, and art.
- The senior students showcased the charm of R.K. Narayan's Malgudi Days through thought-provoking one-act plays filled with humor and life lessons that mirrored everyday Indian life. Their storytelling, costumes, and stage presence captured the timeless simplicity of the fictional town of Malgudi.

The middle school participants brought the ancient wisdom of Panchatantra tales to life through colorful skits. Their performances conveyed moral values such as honesty, friendship, and courage — proving that age-old stories continue to inspire even today.

Meanwhile, the younger students lit up the stage with their delightful cartoon character portrayals, embodying beloved characters with enthusiasm and creativity. Their performances were filled with laughter, imagination, and joy, reminding everyone of the magic of childhood.

The competitions not only provided a platform for artistic expression but also strengthened communication skills, teamwork, and confidence among students. Each performance was a celebration of creativity — showing that learning, when blended with imagination, becomes an unforgettable experience.

Student Mock Elections: Learning Democracy in Action

Our school's Student Mock Elections gave students learn about the democratic process, leadership, and responsible citizenship through active participation. From campaigning to voting, every stage mirrored a real election. Students nominated themselves for various posts, designed campaign posters, and presented their manifestos, outlining their ideas for improving school life. The atmosphere buzzed with enthusiasm as candidates addressed their peers, answered questions, and rallied support — all in the true spirit of democracy. On election day, students cast their votes through a secret ballot, experiencing the excitement of choosing their representatives fairly and thoughtfully. The mock elections not only sparked discussions about leadership and integrity but also emphasized the importance of teamwork, communication, and respect for differing opinions. The activity proved to be an enriching learning experience — blending civic education with fun and engagement. It reminded everyone that leadership is not about power, but about service, responsibility, and making a difference.

- 🌿 Rabindranath Tagore Kala Vibhushan Award – Green India Mission Art Competition 🌿

The Rabindranath Tagore Kala Vibhushan Award for the Green India Mission Art Competition was proudly presented to Kalyani Ma’am, G.Rebecca Ma’am and Sravya Ma’am for their remarkable creativity and dedication towards spreading environmental awareness through art. Their works beautifully captured the essence of a greener, cleaner, and more sustainable India, inspiring students and fellow educators alike.

Educational Trip to Bidar

The higher class students embarked on an enriching journey to Bidar, a city steeped in history and heritage. They explored the magnificent Bidar Fort, Gurudwar Lungar, and other architectural marvels that stand as proud reminders of India’s medieval glory. The visit offered students a hands-on understanding of art, architecture, and history, deepening their appreciation for the rich cultural legacy of the Deccan region. It was truly a classroom without walls — where every monument told a story and every step uncovered a piece of the past.

Students of Classes 6 and 7 participated in the unique “One Day Kisan” program at Bhongir, which introduced them to the life and work of farmers. Dressed like young farmers, students engaged in sowing, watering, and learning about sustainable agricultural practices. The experience helped them understand the importance of hard work, patience, and the role of farmers in feeding the nation.

Both trips offered invaluable lessons — one in history and heritage, and the other in humility and hard work. Together, they proved that learning is most impactful when students explore, experience, and engage with the world around them.

• 🌟 Exciting Recreational Trips for Our Young Learners!

• 🌟 Learning is not only about books — it's also about exploring the world around us! Our little adventurers had a fun-filled and educational experience during our recent recreational trips:LKG & UKG visited Silparamam, where they explored traditional crafts, vibrant art forms, and cultural exhibits. The children enjoyed hands-on activities and discovered the beauty of Indian heritage in a lively and engaging environment.
🎨 🏺 Classes 1, 2 & 3 embarked on a Virtual Wildlife Safari, where they learned about fascinating animals, their habitats, and the importance of wildlife conservation — all from the comfort of the classroom. The experience sparked curiosity and encouraged discussions about nature and biodiversity. 🐅 🌿 Classes 4 & 5 had an adventurous day at Ocean Park, where they got up close with marine life, learned about ocean conservation, and enjoyed interactive exhibits that made learning about the aquatic world a truly memorable experience. 🐠 🌊

Fancy Dress Competition: Celebrating Childhood with Creativity

Children’s Day is always one of the most joyful celebrations of the year — a day dedicated to fun, laughter, and imagination! To mark the occasion, our school organized a vibrant Fancy Dress Competition, giving students a platform to express their creativity and confidence while celebrating the spirit of childhood.

🏅 Proud Achievements at SGFI 🏅

Our students once again proved their excellence at the SGFI (School Games Federation of India) competitions, bringing home remarkable honors and making our institution proud.

*__Vaishnavi__ secured 1st Place in Traditional Yoga, showcasing exceptional balance, discipline, and dedication.

*__Chandana__ earned 2nd Place in Artistic Yoga, impressing the judges with her grace, flexibility, and expressive performance.

*__Foorkhan__ achieved 3rd Place in Air Shooting, demonstrating precision, focus, and outstanding skill.

These achievements reflect the hard work, perseverance, and commitment of our young sportspersons. We applaud their success and wish them many more victories in the future! 🌟 👏

🏅 Annual Sports Day 2025 – A Celebration of Spirit, Strength & Sportsmanship.

- The much-awaited Annual Sports Day 2025 unfolded with great excitement and enthusiasm on campus, transforming the grounds into a vibrant arena of energy, colour, and healthy competition. Students, teachers, and parents gathered in high spirits to witness a day that celebrated not only athletic excellence but also teamwork, determination, and the joy of participation.

The Vice Chairman,
Sri Brahmanandam sir garu graced the occasion as the Chief Guest. He was warmly welcomed by the prefect members, followed by a formal welcome address by the Principal and the inauguration of the e-Magazine.

The event began with a spectacular march-past, where the contingents displayed perfect coordination and pride.

The lighting of the torch and the oath-taking ceremony marked the official opening, symbolizing the true spirit of fairness and unity.

G L I M P S E

Adding glamour to the day, the cultural performances, gymnastics and yoga display provided moments of creativity and calm, beautifully balancing the adrenaline-filled atmosphere of the field.

A series of thrilling events followed—track races, relays that kept the audience cheering throughout.

The event concluded with the National Anthem, leaving the school grounds echoing with applause, laughter, and unforgettable memories.

Sports Day 2025 was more than a competition—it was a reminder that true success lies in effort, unity, and the spirit of coming together as one family.

Outreach Program at the School of Physics –

Students of Classes 8 and 9 attended an Outreach Program organised by the Zenith Astronomy Club, School of Physics, University of Hyderabad. Three teachers accompanied the students, and later, Principal Sir also joined the session.

Students took part in an interactive talk on galaxies, black holes, and other astronomical concepts. They also learned about *sunspots* and observed them through the telescope at the *Dr. Nandivada Ratnashree Observatory*.

The visit was informative and sparked great curiosity about Astronomy.

Creative Learning Activity: *Cooking Without Fire* by Classes VIII & IX

To promote experiential learning and encourage healthy eating habits, the students of Classes VIII and IX participated in an engaging *Cooking Without Fire* activity. The event transformed the classroom into a hub of creativity, teamwork, and culinary innovation.

Under the guidance of their teachers, the young chefs enthusiastically prepared a delightful range of recipes, including fruit salads, sprouted chaat, healthy sandwiches, mocktails, bhel puri, biscuit toppings, and yoghurt-based desserts. The students displayed remarkable creativity, not only in taste but also in the artistic presentation of their dishes.

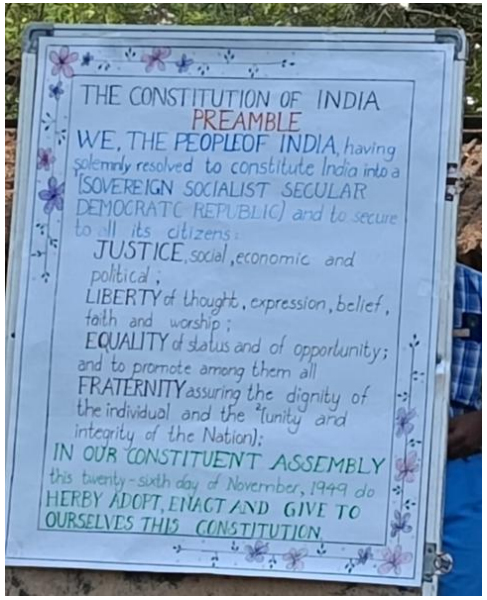

The activity helped strengthen peer learning as students discussed ideas, divided responsibilities, and supported one another. The vibrant energy, colourful platters, and the spirit of innovation made the event a memorable learning experience.

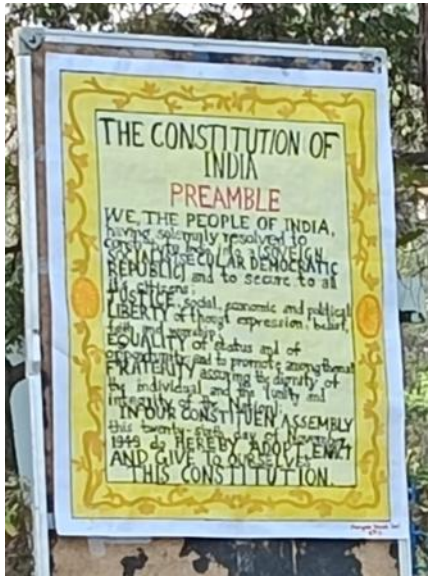

A special assembly on Constitution Day

Constitution Day also known as *Samvidhan Diwas*, was celebrated with great enthusiasm and reverence in our school. The occasion served as a reminder of the values, rights, and duties enshrined in the Constitution of India, and highlighted the vision of the founding leaders who laid the framework for our democratic nation.

Students and teachers participated actively through speeches, readings, and presentations that brought to light the fundamental rights, directive principles, and the importance of constitutional morality.

Regional /Folk dance competitions

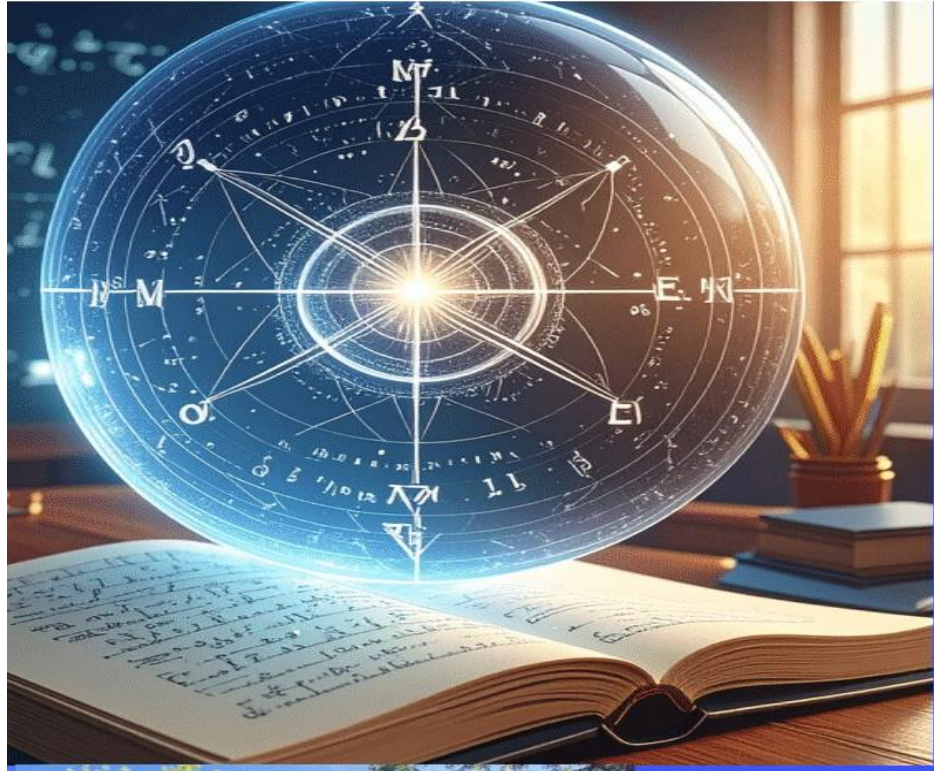

“mātrā-sparśās tu kaunteya
śītoṣṇa-sukha-duḥkhadāḥ…”

Geeta Jayanti Celebrations@ Campus School

Geeta Jayanti was celebrated with great devotion as the sacred **shlokas** echoed through the campus. The inspiring discourse by **Sri Dr Parthasarathy Sir** enriched the occasion and deeply motivated the students.
